Things to think about

- What is your cake theme, colour and style?
- How many tiers?
- How many guests does your cake need to feed?
- Coffee or dessert portions?
- Cake flavour? (Available on our website)
- Do you want a cake topper?
- Do you need a cake stand?
- Do any of your wedding guests have allergies?
- Would you like to try our flavours before your wedding?
- Would you like your wedding flowers to match your cake?
- Does your reception venue have adequate refrigeration storage for your cake?
- Do you need delivery?

Tasting Boxes

Twice a year we sell tasting boxes which include some of our most popular cake flavours. Keep an eye out on our socials for details, or email us to pre-register.

Coffee or Dessert portions

The size and cost of your wedding cake mainly depends on how many guests it needs to feed, and whether you have coffee or dessert portions.

Coffee portions are smaller slices (1" x 1") and are served alongside other desserts. Dessert portions are larger slices (1" x 2") and are served individually as your main dessert. If you are having dessert size portions your cake will need to be larger in size, and will be priced higher than coffee portions.

Cake toppers

Cake toppers are a great statement piece to finish off your design and a great keepsake from your special day. Add a standard topper ("Mr & Mrs") or a custom topper eg ("Natalie & Hayden", "Mr & Mrs Smith"). Or you can provide your own.

Standard - From \$35

Custom - From \$50

Cake Stand Hire

Elevate your wedding cake and make sure it stands out with one of our cake stands for hire. It's amazing how much difference a cake stand makes to the look of your wedding cake. Choose from a selection of styles and colours.

Return it within three days of your wedding for a full bond refund.

Cake stand hire - \$30

Bond - \$50

Prices

Prices are before decorations and based on coffee portions.

1 tier - From \$400 (28 serves)

2 tier - From \$500 (48 serves)

3 tier - From \$600 (84 serves)

Floral decorations

If you will be using floral decorations on your wedding cake, we will work with your florist (if local) to ensure we use the same flowers to match your venue. All you need to do is provide us your florist's information and we will do the rest.

If you are not using a florist, no worries, just show us your wedding flowers and we will match them as close as possible.

Delivery

We highly recommend delivery for all wedding cakes. Let us ensure your wedding cake arrives safely and take care of the set up at your venue.

Delivery fee - \$1.50 per KM (round trip) from Belmont to your venue.
